

# Loyalty program INS-Fireworks

## General Conditions

The program is organized by Grupa Achilles Sp. z o.o. (the owner of ins-fireworks.pl), located at Centralna 81 st, 31-586 Kraków, NIP PL6762468420, REGON:122951985, KRS 0000478253.

The loyalty program is made for customers purchasing pyrotechnic products in ins-fireworks.pl. Below stated regulations are describing the rules of the loyalty program, rights and regulations of the participation.

### 1. Participation in the program

Participation in the program is allowed for people of age, having the full legal capacity and underaged, who are over 13 years old and have limited legal capacity, with the written permission of the legal guardian.

The participant has to participate in person. There is no possibility of transferring the participation for someone else.

The prerequisite for taking part in the program is registering an account in the online shop: ins-fireworks.pl.

### 2. Main rules and regulations

- a) The customer receives one discount point on a "My Discount Points" card for every 100 PLN spent in INS-Fireworks web shop, respectively 2 discount points for 200 PLN, etc...
- b) Discount points can be used while placing the next order. If you don't use the points, they add up.
- c) Every discount point can be used only once
- d) The discount points are assigned to the customer and cannot be reassigned or passed to someone else.
- e) One discount point equals 5PLN, respectively 2 points equal 10 PLN, etc...

### 3. Termination of the program

Grupa Achilles reserves the right to terminate or suspend the program at any moment during its duration, without giving a reason for the decision.

The participants have the right to be informed about the termination or suspension of the program 30 days prior.

In the event of termination or suspension of the program, the participants will have a chance to use the given discount points within the specified period. In case of not using the discount points, they will be canceled.

#### **4. Personal data protection**

The loyalty program participants have the right to inspect and edit their personal data.

The participants are responsible for providing real personal information.
